

PRIVACY POLICY

This Privacy Policy (hereinafter, «the Policy») covers any information about users of our products and services («You») that may include personal data as defined by applicable laws and regulations (hereinafter, «Personal information»), which DerSecur Ltd. may obtain when you use the DerSecur's website derscanner.com. Personal information is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personal information in accordance with our website.

What Personal information do we collect from the people that visit our website?

When ordering or registering on our website, as appropriate, you may be asked to enter your name, email address or other details to help you with your experience.

When do we collect Personal information?

We collect information from you when you order or register on our website, subscribe to a newsletter, fill out a form or enter information on our website.

How do we use your Personal information?

We may use the Personal information we collect from you when you register, order our products and services, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other website features in the following ways:

- To allow us to better service you in responding to your customer service requests.
- To send periodic emails regarding your order or other products and services.
- To follow up with them after correspondence (live chat, email or phone inquiries).

How do we protect your information?

In most cases, Personal information is processed automatically without access to it by our staff. However, if such access is necessary, your Personal information can be accessed only by those employees whose professional tasks require using this information. To protect your personal information and ensure its confidentiality, these employees must comply with internal rules and follow protocols for processing personal information.

DerSecur has also implemented adequate technical and organizational measures to protect personal information against unauthorized, accidental or unlawful destruction, loss, alteration, misuse, disclosure or access and against all other unlawful forms of processing. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology. All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use 'cookies'?

We do not use cookies for tracking purposes.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If you turn cookies off, some of the features that make your site experience more efficient may not function properly.

Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personal information.

Updates to this Policy

This Policy may be subject to amendments. DerSecur shall be entitled to make such amendments at its own discretion. In case of amendments and/or changes to the Policy, they will be announced on the website derscanner.com. A new version of the Policy comes into effect from the date of publication on the website, unless otherwise provided in the Policy.
